Now We Choose "New"
Then "Site"

The 'Manage Sites' dialog box is open, showing a list of existing sites on the left and a 'New...' button on the right. A tooltip is visible over the 'New...' button, listing 'Site' and 'FTP & RDS Server' as options. The 'Webstarwest' site is currently selected in the list.

Editing Files, Part 3 Testing Files Sharing Files

How do you want to work with your files during development?

- Edit local copies on my machine, then upload to server when ready (recommended)
- Edit directly on server using local network

Where on your computer do you want to store your files?

I:\Dreaming\RonsReunion06.com
